# KABARETT DER NAMENLOSEN

BOHÈME SAUVAGE proudly presents  
**LE PUSTRA'S KABARETT DER NAMENLOSEN**

**"Leave your inhibitions at the door and welcome to the Kabarett der Namenlosen, Berlin's ONLY authentic Golden Twenties inspired Cabaret. Enter a forbidden underworld of scandal, intrigue, self indulgence and celebrate the grotesque and bizarre. Immerse yourself in the decadent "mise-en-scène" and dance the night away with the Beautiful and the Damned."**

After 3 sold out shows in March, we return with Berlin's most exciting new show!

**Le Pustra's Kabarett der Namenlosen** is a voyeuristic and surreal re-imagining of 1920's Berlin - the infamous and wild Golden Twenties - and the sexual and artistic freedom of this provocative but short-lived period of the Weimar-era Cabaret Culture. The venue for this show is the beautiful Ballhaus Berlin in Mitte providing the intimate and seductive setting whilst the soundtrack of the evening is provided by Parisien pianist (and cheeky sailor boy) Charly Voodoo and violinist Shir-Ran Yinon, daughter of the late conductor Israel Yinon. Music from Frederick Hollander, Mischa Spoliansky, Willy Rosen, Noël Coward, Bertolt Brecht shall feature and also poetry by Kurt Tucholsky.

The show is presented in a stylish and dramatic fashion - "living art" - showcasing International Bohemians and bon vivants. Starring Berlin's very own incarnation of the scandalous 'nackttänzerin' Anita Berber: **Bridge Markland**. International femme fatale, **Lada Redstar**, poetry in motion **Vicky Butterfly**, English comedienne, the incomparable **Miss Annabel Sings**, the bizarre performance artist **Reverso** and the smouldering **Mama Ulita**. The cast also features naughty 'Telephone Girl' **Julietta La Doll** and the Mistress of Dark Magick, **Suri Sumatra**.

**Your conférencier and curator for the evening is the iridescent and très chic Singer, Artist, Model & Muse: Le Pustra from London. " *A creation of Beauty*", *Agent2 Magazine*  
Kabarett is co-produced by The Grande Dame of Bohème Sauvage: Else Edelstahl.**

We are excited to announce our collaboration with the world's most unusual gin and look forward to welcoming **Hendrick's Gin** brand ambassador CoCo who will be serving delightfully tasteful libations.
